

FrogWear® Heavyweight Extra-Long Nitrile Supported Chemical Handling Gloves with Sandpaper Finish

Description

These 24-inch supported chemical handling gloves are heavyweight green nitrile with a 35-mil thickness. A cotton interlock liner helps to absorb perspiration for the user. The rough, sandpaper grip finish on the palm provides excellent grip while the gauntlet cuff provides extended protection up the arm.

INDUSTRY

Food Processing	Automotive
Food Service	Industrial Kitchens
Food Preparation	Chemical Processing
Food Handling	Oil Refineries

Features

- Component materials comply with FDA regulations for food contact
- Green nitrile coating offers abrasion resistance and protection to many chemicals, oils, hydrocarbons, and grease
