

FROGWEAR™ DISPOSABLE CLOTHING

FrogWear™ Premium Microporous PE Film-Laminated Disposable Coveralls

Description

These non-woven coveralls have a bat wing design and are an option for those who need a durable disposable coverall to protect against light liquid splashes, debris, and dry particulates. The coveralls are a white, premium, 55-gram anti-static microporous PE film-laminated material, breathable and low-lint. They feature a reinforced triangle crotch, a standard hood, and elastic on the ankles, waist, wrists, and hood for a secure fit. Serged seams add durability. The zipper closure has a storm flap for an extra layer of protection from particles.

INDUSTRY	
Maintenance	Painting
Cleaning	Low-Level Insecticide Spraying
Wood Processing	Low-Level Pesticide Spraying
Furniture Manufacturing	Boat Building

ITEM **NW-COV63**

SIZES **S-5XL**

Features
