

BULLHEAD SAFETY® COOLING

High-Visibility Evaporative Cooling Neck Shade

ITEM **GLO-CNS2**

*Hard hat not included

FEATURES

- Material absorbs, stores, and releases water within a multi-layered fabric
- Provides extended cooling comfort and heat stress prevention
- High-visibility yellow/green
- High-visibility orange contrasting trim
- Silver reflective material enhances low-light visibility
- Elastic band at the top fits around most hard hats, both cap style and full brim style
- Fits hard hat styles including Bullhead Safety® HH-C1, HH-C2, and HH-C3 cap styles, and the HH-F1 full brim style

Activation instructions:

- Soak neck shade in cool water
- Wring out the excess water gently
- Snap the cooling neck shade by pulling each end of neck shade to its full length 3 times
- When extremely hot and humid, keep the neck shade extra moist for optimal cooling

SPECIFICATIONS

OUTER SHELL	COLOR	CONTRASTING COLOR	MIDDLE LAYER	INNER SHELL	REFLECTIVE	REUSABLE
Polyester	High-Visibility Yellow/Green	High-Visibility Orange	Cooling Polymer	Nylon	Silver	Yes

DESCRIPTION

This high-visibility yellow/green evaporative cooling neck shade is constructed with proprietary cooling polymers in a multi-layer construction which helps to dissipate hot moisture from your body quickly. The outside includes high-visibility contrasting orange trim and a horizontal reflective stripe for added visibility in low-light conditions. Features mesh at the top for breathability and airflow and an elastic band for attaching to hard hats.

Each item is individually packaged in a polybag for retail sale.
