

FROGWEAR™ DISPOSABLE CLOTHING

FrogWear™ FDA Compliant White SMMS Material Disposable Non-Woven Coveralls with Hood

Description

These non-woven coveralls are great for those who need a durable disposable coverall that provides protection against light liquid splashes, debris, and dry particulates. They are low-lint, have serged seams, and are a white, 55-gram SMMS material. The coveralls have a hood, a reinforced triangle crotch, and elastic on the hood, ankles, waist, and wrists for a secure fit. The zipper closure has a storm flap to keep particles out. These coveralls comply with FDA regulations for food contact.
