

Gripster® Sport+ Synthetic Leather Palm Performance Mechanics Style Gloves with a Blue Spandex Back

Description

These performance mechanics-style work gloves have a flexible blue spandex back and a black AireFlex® synthetic leather palm. The gloves feature special tacky PVC reinforcement on the palm and Griptex material reinforced on the fingers and thumb crotch. The foam padding in the palm adds comfort and protection in this high-stress area. An elastic cuff with a hook-and-loop closure provides a snug and secure fit.

Each pair is individually hang-tagged for retail sale.
