

**Lens** Polarized Anti-Fog

**Frame** Gray

### Description

Engineered for professionals who demand both performance and style, the Navigator X redefines protective eyewear in industrial environments. With a sleek, sporty wayfarer-inspired frame, it combines advanced safety features with a modern aesthetic. Constructed using premium ECO bio-based materials, the Navigator X delivers lightweight durability while supporting sustainability goals. Designed for all-day wear, soft TPE temple tips and a pressure-free nose piece ensure superior comfort, even in high-intensity work conditions. The integrated fixed side shields offer enhanced lateral protection, minimizing risk from side impacts. UV400-rated lenses provide complete defense against harmful UV and solar radiation, while premium anti-fog and anti-scratch coatings maintain clear vision in challenging environments. These glasses meet the highest safety standards—without compromising on style, comfort, or performance. This model features polarized lenses, which filter out bent light waves reducing glare, eye fatigue, and decreasing reflection off surfaces such as water, sand, and snow.

### Technology

This style features lenses constructed with the highest quality polycarbonate, temples made with Thermoplastic TR90, and the nose piece and temple ends made with Thermoplastic Elastomers (TPE) material.

### Features

- Polarized lenses filter out bent light waves eliminating glare, eye fatigue, and decreasing reflection from surfaces such as water, sand, and snow
- Stylish and tapered design with the highest quality ECO Bio-based materials
- Lightweight full-frame design
- Dual 6 base curve lenses give it a flat front-facing appearance
- Soft TPE temple tips and nose piece relieve discomfort to pressure points on the head and face
- Soft adjustable TPE nosepiece for enhanced comfort and fit
- All UV400 lenses are fully coated with a premium anti-fog and anti-scratch solution
- Side shields for maximum protection against side impacts
- Meets ANSI/ISEA Z87.1-2020 high impact standards
