

FrogWear® HV Lightweight High-Visibility Yellow/Green Elastic Traffic Safety Sash

ITEM **GLO-ES1**

SIZES **ONE SIZE**

Description

This simple yet effective safety sash provides enhanced visibility to workers not required to wear ANSI/ISEA 107-2020 approved safety apparel. The X-back design gives an easy way to identify a worker who has fallen face down. It also helps distinguish if a worker is facing your direction or walking away.

Each item is individually packaged in a polybag for retail sale.

Features

- Made with elastic and polyester for extra comfort
- Silver reflective material enhances low-light visibility
- High-visibility yellow/green
- X-back design allows for easy identification
- Adjustable elastic waist and chest
