

Gripster® Sport High-Visibility Synthetic Leather Palm Performance Mechanics Style Gloves with a Silicone Honeycomb-Patterned Palm and a Spandex Back - LIMITED STOCK

Description

These high-visibility yellow/green mechanics style driver gloves feature a reflective striping on the back of the hand. The palm is a durable AireFlex® synthetic leather and the back is a comfortable spandex. The silicone honeycomb pattern on the fingers and palm provides unprecedented dry grip and excellent abrasion resistance. Features a reinforced thumb crotch for added abrasion resistance. A reflective stripe on the back of the hand adds visibility in low-light conditions. The open cuff provides easy donning and removal.

Each pair is individually hang-tagged for retail sale.
