- Total Pockets: None

Meets ANSI/ISEA 107-2020 standard

- Class 3
- Type R

Description

This premium athletic-type long-sleeved shirt is high-visibility yellow/green self-wicking high-performance stretch polyester/spandex microfiber. Black mesh in the torso area and under the arms gives the user more airflow. The segmented silver reflective material enhances low-light visibility. This shirt features UPF 15+ sun protection and a comfortable tagless design.

Each item is individually packaged in a polybag for retail sale.
