

Premium Enhanced-Visibility Black Sherpa-Lined Softshell Jacket with Ripstop Material

Description

This premium enhanced-visibility softshell jacket has a breathable black 300D Oxford ripstop polyester exterior and a gray sherpa-lined interior. The fleece-lined interior gives the user added warmth for low-temperature conditions and the durable ripstop material provides increased tear resistance. Semi-segmented silver reflective material and contrasting high-visibility yellow/green trim enhance low-light visibility. The jacket features mic tabs on the shoulders and a zipper closure. Pockets include three outside and three inside. Each item is individually packaged in a polybag for retail sale.
