

FrogWear® HV High-Visibility Neck Shade and Sun Visor Accessory for Hard Hats and Safety Helmets

Description

This neck shade and sun visor accessory is compatible with most head protection hard hats and safety helmets. The high-visibility yellow/green material is solid polyester with contrasting orange trim. Features a wide, polypropylene front brim, a solid drape for the neck, and an elastic headband for securing the shade to a safety helmet. The silver reflective material enhances low-light visibility. Two hook-and-loop patches with adhesive backs allow a universal fit on various helmets.

Each item is individually packaged in a polybag for retail sale.

ITEM GLO-HNS2 SIZES ONE SIZE

Features

- Made with solid polyester material for a comfortable fit and feel
- Silver reflective material enhances low-light visibility
- High-visibility yellow/green
- High-visibility orange contrasting trim
- Solid neck drape to protect from sun burn
- Wide front brim made with polypropylene material protects worker's eyes from the sun
- Elastic band at the top fits around most hard hats, both cap style and full brim style
- Hook-and-loop patches with adhesive back for additional securing
- Universal attachment method allows these to be used on many other head protection products in the marketplace
