

## Touchscreen Compatible Acrylic String Knit Low-Temperature Gloves with Silicone Dots

### Description

Features three touchscreen-compatible fingertips, these lightweight gloves have a black 10-gauge acrylic string knit shell. These low-temperature gloves protect from cold while retaining functionality for controlling electronic devices. The gloves have black silicone dots on one side to provide grip. The knit wrist cuff creates a secure, comfortable fit.

Each pair is individually hang-tagged for retail sale.

### INDUSTRY
