

Lens LED Anti-Fog

Frame Black and Red

Description

Compact, innovative, and sustainably designed, the Riley® Sparta™ range delivers reliable safety eyewear performance across all dust-prone industrial environments. The Sparta™ (ECO) model stands out with its integrated soft TPE browguard, offering exceptional comfort and protection against light dust and liquid droplets. Its close-fitting, wraparound design ensures a secure fit while maintaining all-day wearability. With a single high-performance polycarbonate lens and a fully metal-free construction, Sparta™ provides durability and clarity without compromising on user comfort or safety.

Engineered with both function and environmental responsibility in mind, this range reflects a commitment to innovation and sustainability. The eyewear is supplied in a 100% recycled microfiber pouch, eliminating all single-use plastic packaging. Slim temples enhance compatibility with ear protection, while soft, ventilated temple tips and an adjustable anti-slip nose bridge ensure a comfortable, secure fit.

 MEETS ANSI/ISEA Z87.1-2020 STANDARDS	 HYDROPHOBIC TREATMENT REDUCES FOG	 FREE FROM METAL COMPONENTS	 ANTI-SCRATCH HARD COAT TREATED LENS	 RELIEVES FATIGUE FROM BLUE LIGHT	 FILTERS 99.9% UVA/UVB/UVC LIGHT RAYS

Technology

This style features lenses constructed with the highest quality polycarbonate, temples made with Thermoplastic TR90, and the nose piece and temple ends made with Thermoplastic Elastomers (TPE) material.

Features

- Arida 400 Coating: Anti-fog lens treatment greatly reduces fog in hot, humid, and variable temperature environments. It disperses moisture which allows the water droplets to bead and clear during normal movement and airflow
- UV400 coating is a UV absorber added into the polycarbonate material, which enhances protective capabilities against harmful UV rays
- Precision lenses block blue light rays, which reduces eyestrain, increases visual acuity, and protects from the long-term effects of blue light exposure
- Panoramic lenses offer full wraparound protection and optimum vision
- Soft TPE integral browguard protects against dust and debris
- Slim temples enhance comfort when worn with ear protection
- Soft, ventilated temple tips provide a comfortable, secure fit
- Dielectric/nonconductive construction
- 100% metal free
- Soft, adjustable, anti-slip nose bridge
- Meets ANSI/ISEA Z87.1-2020 high impact standards
- Comes in a microfiber pouch made from 100% recycled material, no single use packaging.
