

Premium Double-Coated 18-Inch PVC Chemical Handling Gloves with Jersey Liner

Description

These premium chemical-handling gloves have a good grip in wet or oily situations and feature a sandpaper finish on double-dipped black PVC. The brushed jersey liner provides support while retaining the flexibility to reduce hand fatigue. The gloves are 18-inches long with a gauntlet cuff that grants extended protection up the arm while remaining easy to put on and take off.

INDUSTRY

Petrochemical	Caustics Handling
Refineries	Oily Environments
Abrasive Materials	General Maintenance
Acids Handling	

Features

- Black PVC is resistant to oils, grease, and chemicals
- Jersey liner provides support for glove shape, reducing hand fatigue
- Double-dipped for extended wear and abrasion resistance
- Sandpaper finish enhances grip in wet or oily situations
- 18-inch length extends protection up the arm
- Gauntlet cuff allows for easy donning and removal plus extra forearm protection
