

Extra Heavyweight Two-Ply Cotton/Polyester Hot Mill Gloves with PE Gauntlet Cuff

Description

These extra heavyweight 24-ounce natural color two-ply cotton/polyester hot mill gloves feature a knuckle strap on the back of the hand for increased protection. A clute cut pattern with a straight thumb offers a good grip. These uncoated gloves are ideal for operations requiring a glove that can withstand moderately high temperatures. A 4.5-inch PE gauntlet cuff extends protection up the arm. The nap-out palm, index finger, and thumb provide more abrasion resistance.

INDUSTRY

Construction	Bakeries
Farming	Landscaping
Cold Storage	General Purpose
