

FROGWEAR™ DISPOSABLE CLOTHING

FrogWear™ Premium Microporous PE Film-Laminated Disposable Coveralls with Collar

Description

These non-woven coveralls are for those who need a durable disposable coverall that protects against light liquid splashes, debris, and dry particulates. They are low-lint, anti-static, and breathable with premium white 55-gram microporous PE film-laminated material. The ankles, waist, and wrists include elastic for a secure fit. These coveralls feature a bat wing design, a reinforced triangle crotch, serged seams, and a collar. The zipper closure has a storm flap for added protection against particles.

INDUSTRY

Boat Building	Low-Level Insecticide Spraying
Cleaning	Maintenance
Furniture Manufacturing	Mechanics
Janitorial	Painting

ITEM **NW-COV630**

SIZES **M-5XL**
