

## Synthetic Leather Palm Performance Mechanics Style Gloves with Impact Protection and a Spandex Back

### Description

These AireFlex® synthetic leather gray palm sports gloves feature impact padding on the palm and side of the hand, orange zebra-striped TPR impact-reducing knuckle pads, and a black spandex shell. The neoprene, hook-and-loop closure ensures a secure fit. These gloves are excellent for working with any tools or products that require good grip, dexterity, and back-of-hand impact resistance. Features a reinforced thumb crotch, fingertips, and palm patch for added durability, along with a padded palm and side of the hand.

ITEM **HR8500**

SIZES **8(M)-9(L)**

### Features

- AireFlex® synthetic leather provides durability and sensitivity
- High-visibility orange impact protection over the fingers and metacarpal bones is made with soft, flexible, TPR which provides tough protection
- Padded palm and side of the hand increases comfort and dampens vibration
- Reinforced thumb crotch, palm, and fingertips

- Contoured hand form reduces hand fatigue
- Great dexterity compared to leather
- Neoprene cuff with hook-and-loop closure secures gloves to wrist to prevent loss or slipping plus allows for easy donning
