

Premium Split Cowhide Reinforced Leather Welders Glove with Thermal-Knit Cotton Lining, Left Hand Only

Description

Premium shoulder split cowhide welding gloves. These gloves have a russet color and feature aramid fiber sewn stitching, a reinforced wing thumb, and a double-reinforced thumb crotch. They are 13 inches long with a gunn cut pattern, a hemmed cuff, and a full semi-sock thermal-knit cotton lining for added heat protection. The welting in all vulnerable seams adds durability. The gloves are generously sized to reduce hand fatigue; a gauntlet cuff allows for quick removal and extends protection up the arm. Sold as left-handed pairs only.

INDUSTRY	
Welding	Spark Protection
Heat Applications	Fabrication
Flame Protection	Steel Construction

ITEM 1200-LH

SIZES ONE SIZE - LEFT HAND ONLY

Features
