

CORPORATE AND CELEBRATIONS

Cook together, the Ramsay way

Bring together friends, family and colleagues with a cooking experience at the Gordon Ramsay Academy. We'll help you plan the perfect event, either at the Academy or online, to suit any occasion, whether that's a team success, birthday or just a chance to get together with those that matter.

Cooking classes are perfect for team-building activities, hen parties, children's birthdays or even a romantic private lesson just for two. We can host up to 44 people across five kitchens, giving us ultimate flexibility to cook up something truly special.

MAXIMUM CAPACITY: 44 ADULTS OR 24 CHILDREN
UP TO 12 GUESTS PER KITCHEN
1-2-1 PRIVATE CLASSES AVAILABLE

BESPOKE OPTIONS TO SUIT ANY OCCASION

CORPORATE & TEAM-BUILDING

Get to know your colleagues a bit better out of the office as you create a delicious meal together or battle over the best beef Wellington.

We promise fun, laughs and a bit of learning on the side.

We can adapt any of our current classes to suit your team or book a special:

TEAM MENU CHALLENGE

Promoting teamwork as you collaborate on a meal together

TEAM COOK-OFF

Competing with a skills-based challenge

GROUPS & PARTIES

Celebrate a special event with those you love in with a private class that's just for you. Whether it's having a giggle over gorgeous cakes or creating the ultimate dinner for two, a glass of fizz and some delicious food will suit any occasion.

All of our current classes can work brilliantly for groups.

If there's something in particular you'd love to cook, get in touch to discuss our:

CELEBRATION MENU CLASS

We'll help you create a special two - or three course meal that you can cook together and enjoy with a glass of something to toast your event.

BESPOKE & UNIQUE

Got your own ideas? No problem, our chefs and specialist concierge team will help you create your own event, whether that's a particular skill you want to master, cuisine you want to explore or opportunity to host something incredible in our exciting Academy kitchens.

ONLINE EVENTS

Getting everyone together in one place can be tough, so why not share a special experience with your family, friends or team-mates wherever they are. We'll get you all cooking along at home in a private Zoom class that's relaxed, fun and delicious, too.

All of our 90-minute online classes can be run just for your group or you can try booking a:

VIRTUAL COOK-OFF

Our chefs will challenge you all to learn a new skill and show it off. This works great for corporate events and teams but can also be fun for friends and family too.

CHILDREN'S PARTIES

Let us make party-planning easy for you and get your budding junior chefs cooking up a storm in our kitchens. They'll love bringing their mates together to create their own special feast, from burgers to baking, pizza and sushi, it's a chance to learn some skills but get a bit messy too.

All of our current Junior chef classes can be run for your own private group.

For something a bit more creative, we can host your own:

JUNIOR CHEF CHALLENGE

They'll work together to develop their own twist on a classic dish or bake – they won't be able to resist showing it off to you afterwards.

HAVE WE MISSED ANYTHING?

We can make your event extra special with those little (or big) touches that will make lasting memories. From a simple glass of fizz to a full-blown wine pairing, your own apron to keep or a Gordon cookbook to inspire you further, just get in touch and we'll help you find that special something.
