IVBE Projects in Brief

1. Regents International College, Bangkok is IVBE's flagship project.

RIC (Regent's International College) is a further education college in Bangkok, Thailand offering students a range of different UK qualifications: Certificates, Diplomas and degree programmes

RIC is the registered centre in Thailand for the University of London's International Programmes, offering four BSc degrees in the field of Economics, Management, Finance and Social Studies (EMFSS) with all academic direction provided by the London School of Economics and Political Science (LSE):

- BSc (Hons) Accounting and Finance
- BSc (Hons) Banking and Finance
- BSc (Hons) Business and Management
- BSc (Hons) Economics and Management

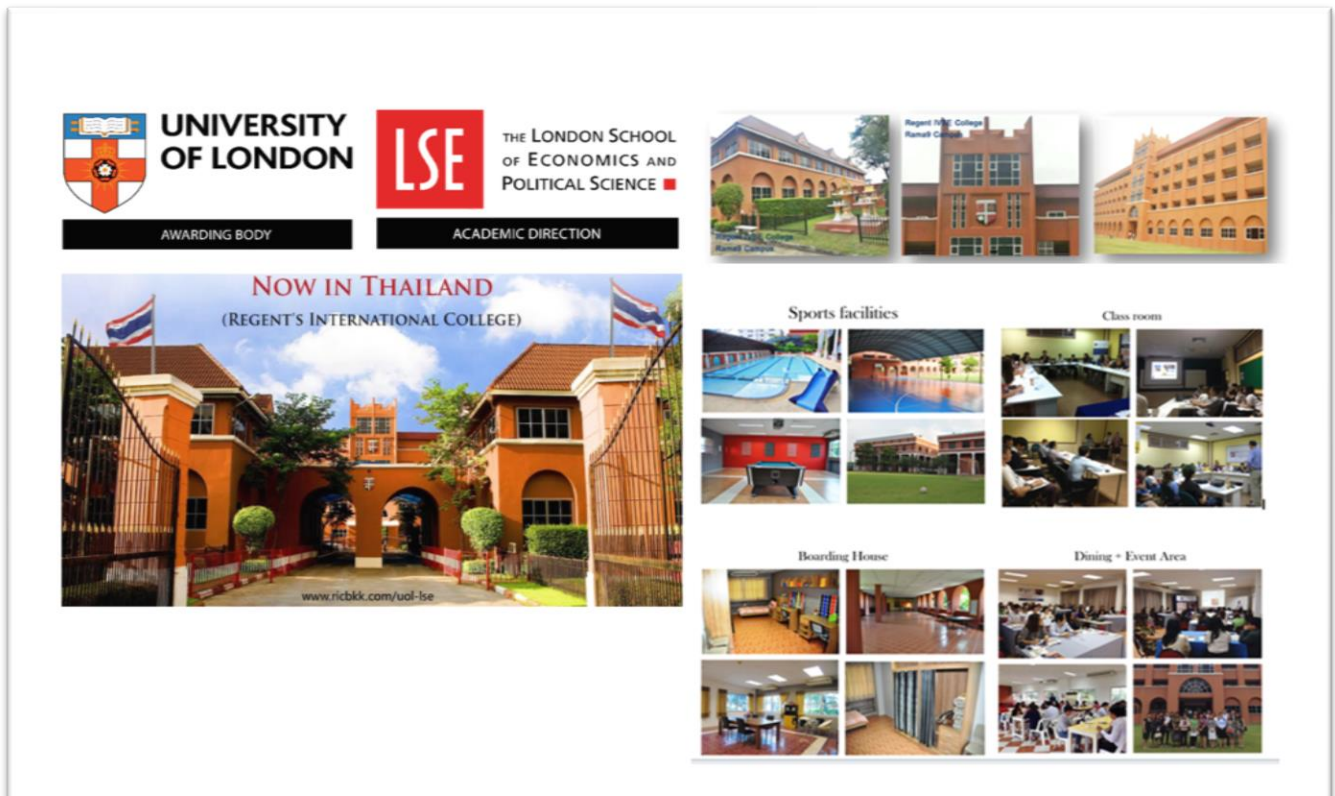

RIC is also the first institute in Thailand to be approved by Edexcel, the UK's largest awarding body to offer the BTEC (Business and Technical Education Council) qualifications. BTEC courses are currently offered in:

- Business Studies
- Hospitality Management

RIC offers a '2+1 Degree programme'. On completion of the BTEC HND at RIC, students can progress onto the final year of an undergraduate degree course at a UK university or the third year of a degree course at any other international university accepting the HND.

Regents Campus in Bangkok

RIC main programmes on offer:

- University of London International Programmes (Bachelor's Degree programs)
- BTEC UK qualifications (Certificate, diplomas and 2+1 degree programmes in Business & Hospitality Mgmt.)
- English Programmes.
- International Foundation Programmes.
- Teaching Qualifications.
- MBA (upcoming programmes of 2018-2019).

Most proud moment of RIC in 2017-2018

Congratulations!

to our University of London students Somarati & Pincha studying the BSc programme led by London School of Economics (LSE) for achieving First-class honours in the 1st year of the 3 year degree programme.

courses in Thailand employed by the ministry
of Education(MOE). The trainings were done
in 8 provinces of Thailand.

6) IVBE Corporate training and CPD (continuous professional development) Classrooms.

CPD Classroom is a distinctive platform for senior executives and business owners for continuous professional development. The CPD classrooms aim to help individuals understand and plan business activities through academic theories and by adopting a scientific approach.

CPD: Continuing Professional Development is the term used to describe the learning activities professional's engage in to develop and enhance their abilities. It enables learning to become conscious and proactive, rather than passive and reactive.

“Engaging in CPD activities ensures that both academic and practical qualifications do not become out-dated or obsolete; allowing individuals to continually ‘up skill’ or ‘re-skill’ themselves, regardless of occupation, age or educational level.” www.cpduk.co.uk
