

Table Light

A variety of Bocci pendants can be used with the table light hardware, which includes an integral dimming system housed within a sleek brass cylinder. The black fabric cord is semi-rigid and may be sculpted to add form. The brass stand has a small hole on the underside, allowing it to be hung on a wall if desired.

Table Light

Lamping

1.5w LED

Plug type

NA Type A - 110V
EU Type C - 230V
UK Type G - 230V
