

Athletic Fields Policies

Great Parks athletic fields at Francis RecreAcres, Miami Whitewater Forest and Triple Creek are open for non-organized, walk-on use with certain restrictions. Walk-on use is prohibited when field closed signs are posted. Fields may be closed in preparation for reserved events, regular maintenance, repairs, periods of turf stress, excessive rainfall, freezing temperatures or snow.

FIELD RULES

- Walk-on users are not permitted to move goals, flags, cones or other field equipment.
- Reserved use receives priority over walk-on use. Walk-on users must vacate the field if it is reserved.
- Advance reservations and payment for organized field use including practices, training, games or tournaments is required.
- Groups consisting of six persons or more are considered organized field use.
