

# KIGI

2015 RODERICK VOS

---

## DESIGN INSPIRATION

The 'Kigi' sidetables by Dutch designer Roderick Vos are a celebration of the art of wood turning. Put together a group, in different sizes, and you will see where 'Kigi' got its name: the Japanese word for 'the trees'. The Japanese aesthetic of clean, minimalist lines and their appreciation for the natural beauty of wood with its knots and cracks, shine through in this timeless design.

LINTELOO

## DESIGNED BY RODERICK VOS

Dutch designer Roderick Vos (1965) graduated from the Design Academy Eindhoven in 1990, upon which he and his wife Claire, a textile designer, upped sticks and went to live in Surabaya, Indonesia. There, Roderick further developed his interest in Asian culture and its designs, an interest he was quite literally born with, being part Asian himself. Once back 'home' in the Netherlands, Roderick and Claire established 'Studio Roderick Vos' in beautiful Heusden Vesting, in 1999. In his design aesthetics, Roderick feels less connected with post-modernism than with the Platonic philosophy that every soul desires the good, the true and the beautiful. So, that is what he tries to achieve. 'I want to make people happy with beautifully useful pieces. Objects that exude aesthetic pleasure. Strong shapes that feel beautiful, good and true.' We at Linteloo feel he succeeds in his achievements, each and every time.

## SPECIFICATIONS

**Body:** Solid oak

**Origin:** Hand made in The Netherlands

## OPTIONS

**Finish:** White-washed (with a pigmented oil) or oak smoked (treated with linseed oil).

## MAINTENANCE

All LINTELOO furniture has been made with lots of love and care. Of course, we want you to enjoy it, for as long as possible. Proper maintenance will prolong its lifespan, which is why each piece of LINTELOO furniture comes with a maintenance instruction booklet, also available for download at [linteloo.com](http://linteloo.com). Detailed information on care and cleaning, including the recommended products, can also be found at [linteloo-care.nl](http://linteloo-care.nl)

**Solid wood:** Wood is a natural product, which may scratch, shrink and expand. Keep this to a minimum by using coasters, by not putting wooden furniture too close to a heat source, and by keeping your home at a 50-60% humidity level. Oil-treated woods benefit from regular nourishment. Varnished or painted woods can simply be wiped down with a damp cloth.

## WARRANTY

All LINTELOO sofas and chairs are backed by a 10-year warranty on the frame. Cushions, upholstery and all other LINTELOO products are backed by a 3-year warranty, with a depreciation of 1/3 each year. Please make sure you keep your invoice or receipt. Excluded from the warranty are:

- Regular wear and tear, damages and discolouration of upholstery (fabric and/or leather).
- Creasing, colour and structure variations and other irregularities, which are part of the natural characteristics of fabrics, leather and/or wood.
- Complaints regarding fabrics and/or leathers which are not part of the standard LINTELOO collection (specially supplied fabrics and/or leathers).
- Damages caused by improper use, inadequate or incorrect maintenance, or repairs carried out outside the scope of LINTELOO's responsibility. LINTELOO uses the Terms and Conditions of the Centrale Bond van Meubelfabrikanten, available at [www.linteloo.com](http://www.linteloo.com).

If you have any questions, please contact your LINTELOO dealer or LINTELOO's customer service department.
