

Exeter Finance listed by Forbes as one of America's best employers

Amid 500 ranked midsize companies, Exeter makes list for the first time

IRVING, Texas – (April 4, 2023) -- Exeter Finance LLC, a leading indirect auto finance company, has been named to Forbes' 2023 list of "America's Best Midsize Employers" for the first time in the organization's history. This distinguished recognition was awarded on Feb. 15 as a result of survey research conducted by Forbes and Statista, Inc.

Forbes and Statista accessed a survey sample of approximately 45,000 U.S.-based employees working for companies with 1,000-5,000 employees. Based on the volume of employer recommendations from past and current employees, the final list was curated to reflect the top 500 companies and can be found on the [Forbes website](#).

"We're beyond excited to make this list for the first time. While our employees are working hard to provide an exceptional experience for our customers and dealer partners, we're perpetually asking ourselves how we can continue to provide an enhanced employee experience that matches," said Exeter Chief Executive Officer **Jason Grubb**. "This organic form of recognition tells us that with all the focus we're placing on employee training, programs, development opportunities and internal mobility, we're headed in the right direction."
