

BLEND

2022 ANTHONY GUERRÉE

DESIGN INSPIRATION

The strong sense of connection between LINTELOO and designer Anthony Guerrée stems from a shared love for the combination of functionality, design and artisanship. The BLEND dining sofa reflects this: highly practical, extremely pleasing on the eye, and amazingly well-made. But ultimately, it is about your way of life. Which is why the BLEND dining sofa is modular – this leaves room for individuality, where you create your own perfect set-up.

DESIGNED BY ANTHONY GUERRÉE

Anthony Guerrée was educated at the École Boulle in Paris, where—since its foundation in 1886—young talents are schooled in the fine and applied arts, and where craftsmanship plays a central role. Fascinated by the interior designers of the '30s, Anthony joined Studio Andrée Putman, in 2010, where he was able to work with the best 'makers' in the world in shaping world-class interiors. In 2015, Anthony went to work for designer Christophe Delcourt, assisting him in designing his Delcourt Collection furniture, as well as contributing to Christophe's collaborations with brands such as Minotti, Collection Particulière, and CC-Tapis. In 2020, Anthony Guerrée ventured out on his own and developed a unique signature. His first furniture collection was inspired by Marcel Proust's *À la recherche du temps perdu*. Each of the sculptural chairs embodies the character of one of the protagonists. These pieces tell a story, because each of Anthony's designs is more than simply functional. His designs are the tangible, flawless results of the dynamics between tradition and innovation.

MAINTENANCE

All LINTELOO furniture has been made with love and care. Of course, we want you to enjoy it, for as long as possible. Proper maintenance will prolong its lifespan, which is why each piece of LINTELOO furniture comes with a maintenance instruction booklet, also available for download at linteloo.com. Detailed information on care and cleaning, including the recommended products, can also be found at linteloo-care.nl.

Solid wood: Wood is a natural product, which may scratch, shrink and expand. Keep this to a minimum by using coasters, by not putting wooden furniture too close to a heat source, and by keeping your home at a 50-60% humidity level. Oil-treated woods benefit from regular nourishment. Varnished or painted woods can simply be wiped down with a damp cloth.

WARRANTY

All LINTELOO sofas and chairs are backed by a 10-year warranty on the frame. Cushions, upholstery and all other LINTELOO products are backed by a 3-year warranty, with a depreciation of 1/3 each year. Please make sure you keep your invoice or receipt. Excluded from the warranty are:

- Regular wear and tear, damages and discolouration of upholstery (fabric and/or leather).
- Creasing, colour and structure variations and other irregularities, which are part of the natural characteristics of fabrics, leather and/or wood.
- Complaints regarding fabrics and/or leathers which are not part of the standard LINTELOO collection (specially supplied fabrics and/or leathers).
- Damages caused by improper use, inadequate or incorrect maintenance, or repairs carried out outside the scope of LINTELOO's responsibility. LINTELOO uses the Terms and Conditions of the Centrale Bond van Meubelfabrikanten, available at www.linteloo.com.
