Last month, *D Magazine* celebrated best of what Dallas has to offer. From the best fragrance shop to the best vegan bakery to the best movie theater, we scoured the city and ranked it all. But we couldn't just forget about the home —and which spots makes our personal living spaces all the better. Where can we find the best shop for a Francophile? What about a local flower farm?

To aid in all these endeavors, we present you with *D Home's* iteration of Best of Big D: The Home and Garden Edition.
