## 10 design trends that defined 2022

By Caroline Biggs

### COLORED GLASS

Equal parts artful and nostalgic, old-school colored and stained glass designs took a markedly modern turn in contemporary interiors by designers such as Jean Lin, Jessica Davis of Atelier Davis and Eddie Maestri. “Colored glass unexpectedly skates the line between traditional and contemporary as the colors reinvent the medium itself,” says Lin. “For example, Colony’s Phila Terra series [pictured below] combines earthy tones with unorthodox forms, creating an inviting, postmodern accent in a room.”
