

30 Painted Brick Fireplaces That Radiate Coziness

Has your brick fireplace seen better days? Freshen it up with paint! Our gorgeous collection of painted fireplaces offers ideas for every design aesthetic, from boho to farmhouse to contemporary. Plus, find DIY tips on how to achieve some of today's most popular brick fireplace looks like German smear, whitewash and more.

A Splash of Personality

Above this fireplace, a school of fish pokes their golden heads through the white brick. The whimsical art adds a splash (pun intended) of personality to the space, breaking up the stark white walls.
