You don't need a lot of square footage to fit a home bar into your plans. Discover our stylish and space-savvy ideas for incorporating a cocktail station into your home, be it palatial or petite.

Midas Touch

Imagine popping a bottle of bubbly at this high-glamour hideaway bar. The modern home wet bar embodies luxury with polished black marble counters, contrasting white cabinets and glass shelving secured with unlacquered brass brackets. The pièce de résistance? The hand-painted metallic gold ceiling allowing overhead.
