

Hiking Program

Surveys have shown that walking is one of the favorite activities of Great Parks of Hamilton County visitors. To increase the enjoyment and encourage more people to get involved in outdoor exercise, Great Parks of Hamilton County has two hiking programs.

The **Hiking Staff Program** requires that you hike seven different trails in the park district in a year. You then become eligible to purchase a wooden hiking staff for \$3. Each year following, when you hike seven Great Parks' trails, you are eligible to purchase an annual metal emblem for your hiking staff for \$2 (limit one emblem per year.) Additional emblems for the following parks may be purchased for \$3.95: Glenwood Gardens, Miami Whitewater Forest, Shawnee Lookout, Sharon Woods, Winton Woods, Farbach-Werner Nature Preserve, Fernbank Park and Woodland Mound.

To become eligible for the **Master Hiker Program** insignia, you are required to hike all the trails in the parks (listed on the next page).

You can use this form or a 3x5" card to keep track of your hikes. Once you have completed the required trails, present your record at one of the locations listed below. If purchasing a hiking staff, please call ahead to make sure they have one available.
