Duty of Care Statement

When you register to play with a Football Club, you are reminded that Football is a body contact sport. Potential, notwithstanding all safety guards, exists for a player to sustain injury. Players are therefore reminded of their obligation to prepare themselves for training and matchday sessions, by engaging sufficiently in warm up activities and maintain an adequate level of fitness.

As a measure of your club and Football South Australia's support to all Insured Persons, they have arranged insurance cover as set out in this document and for your benefit and risk protection.

In addition to these policies all Insured Persons are encouraged to take out private health insurance and life insurance cover over and above that is outlined on the previous page to ensure individual needs and circumstances are met.

For any advice or additional insurance cover that you may require please contact Gow-Gates.
