

Claims Executive, Sydney

About Us

At Gow-Gates, we take pride in our talented team of brokers who consistently achieve our goals and growth. We empower our teams to do what they're best at – servicing clients and technical advice.

Why Join Gow-Gates?

We have 60+ years of success in the industry, with a hard-earned reputation for high-quality client service and broking advice. We are committed to your professional development - our internal development programs, mentorship, and support for new industry qualifications will make it

About the role

- Manage the end to end process for incoming claims in a cohesive team environment
- Effectively interpret policy coverage based on claim information
- Ensure all stakeholders are updated throughout the process of the claim
- Maintain records and compliance requirements via the Claims Management System

Qualifications and Experience

- You have experience in property and motor claims or broad exposure across multiple classes of insurance
- Tertiary education is highly regarded, though not mandatory - insurance qualifications are a plus too!
- Ability to produce strong settlement results for clients
- Highly organised and able to prioritise tasks effectively
- Strong written and verbal communication skills
