

**VIKRAM SOLAR**

## HIGH QUALITY TIER 1 PV MODULES FROM INDIA

Vikram Solar Limited is a globally recognised Tier 1 solar energy solutions provider, specialising in high efficiency PV module manufacturing and comprehensive EPC solutions.

With international presence across 5 continents, we are an active contributor in shaping the global solar revolution.

Carrying forward the rich 4-decade-old legacy and extensive manufacturing experience of the Vikram Group, Vikram Solar has left its footprint in Europe since 2009.

In Belgium, Vikram Solar has partnered with GPC Europe to provide you with affordable, high-efficiency TIER 1 modules from India.

## GPC EUROPE

# YOUR PARTNER FOR AFFORDABLE, HIGH-QUALITY SOLAR MODULES IN BELGIUM!

Grid Parity Concepts Europe, in short GPC Europe, is a specialized wholesaler in Solar- and Storage Solutions. Since 2005 GPC Europe provides technical companies and installers with a complete range of high-quality photovoltaic products.

Our vision is to make all green energy solutions accessible to everybody in order to contribute to the reduction of CO2 emissions.

Furthermore, we want a long-term relationship with both our customers and suppliers. This is expressed in a stable client portfolio and a range of top products. We are the appropriate intermediary between our customers and the manufacturer.

GPC Europe fulfils its role as a strong player both on the local market as on the European market.

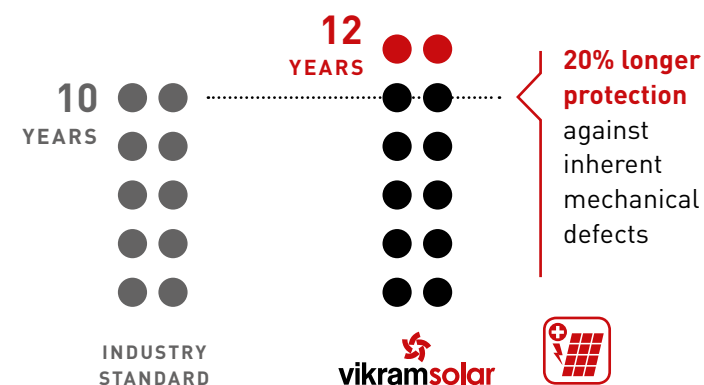

Therefore, we continue to focus on our strengths such as:

- Customer first
- Complete product range
- Excellent service
- Large stock
- Flexible operation
- Short delivery times
- High-Quality products
- Technical support
- Strong logistics

## ELDORA ULTIMA - SILVER SERIES

TECHNOLOGY: ..... Poly-crystalline, 60 cells  
POWER RANGE: ..... 260Wp - 280Wp  
MODULE EFFICIENCY: ..... up to 17.2%  
MAXIMUM VOLTAGE: ..... 1000 V / 1500 V

- Positive Power Tolerance
- Excellent Low Light Performance
- Great Solar Transmittance of >94%

The ELDORA ULIMA PV modules are also available in ALL BLACK and in 72 cells configuration with power ranging from 315Wp to 325Wp.

## somera ULTIMA - ALL BLACK SERIES

TECHNOLOGY: ..... Mono-crystalline, 60 cells  
POWER RANGE: ..... 280Wp - 310Wp  
MODULE EFFICIENCY: ..... up to 19.05%  
MAXIMUM VOLTAGE: ..... 1000 V / 1500 V

- Positive Power Tolerance
- Excellent Low Light Performance
- Great Response to Longer Wavelengths

The SOMERA ULIMA PV modules are also available with white backsheet/silver frames and in 72 cells with power ranging from 340Wp to 365Wp.
