

Limited Warranty For Shingled Modules

1. Scope

This Limited Warranty regulates the ultimate consumers (hereinafter referred to as the "Buyer") who purchase identified shingled modules (hereinafter referred to as "modules") with the purpose of self-use installation, Tongwei Solar (Hefei) Co., Ltd commits to provide the limited quality warranty (hereinafter referred to as "Limited Warranty").

This Limited Warranty is adapted to the Grade A modules, but the degraded and scrap modules.

2. Warranted Products

2.1 This Limited Warranty is applied to the following Tongwei modules:

Shingled monocrystalline modules, series of 72 version, series of 60 version

2.2 The coding rules of modules

Modules consisting of numbers, letters and characters elaborate as follows:

First part: 2 letters, representing the company's abbreviation: TH (Tongwei Hefei, the first letter of Pinyin).

The second part: 3 digits, representing the maximum power of the PV module under standard test conditions, such as: 260, called 260W; less than three digits, 0 will be added to the first place.

The third part: 1 letter, representing the process technology of cells in the procedure of module. C stands for the standard cell; P stands for PERC cell; H is the black silicon cell; J is the diamond-wire cell.

The fourth part: 1 letter, representing the crystal type of cell: M (monocrystalline); P (polycrystalline); G (monocrystalline of G type).

The fifth part: 1 digit or 1 letter, representing the number of bus bars of a cell. 1 means a one-grid cell, 2 means a two-grid cell, 3 means a three-grid cell; ...; 9 means a nine-grid cell; A means a ten-grid cell, B means a eleven-grid cell; C means a twelve-grid cell, and so on.

The sixth part: 1 character, using fixed characters:-.

The seventh part: 2 digits, representing the component version, such as 60 corresponding to 60 cell regular component version, 72 corresponding and 72 cell regular component version.

The eighth part: 1 letter, representing imbricate PV modules: I (The first letter of word "Imbricate").

Example: The module type TH370CM5-72S with the power of 370W represents the imbricate Shingled glazing panel of 72 version produced by Tongwei Solar (Hefei) Co., Ltd, which are made of the regular monocrystalline five-grid cells.

3. Commencement Date of Warranty

It will be effective from the day of installation or the 90th day (natural day) after the delivery of the Tongwei modules, whichever occurs earlier.

4. 12 Years Guarantee

4.1 Tongwei warrants that the module will not malfunction or fail to operate due to design, material, process or manufacturing defects within 12 years from the valid date.

4.2 Defects in module appearance (including but not necessarily limited to bruise,

scratch, stain, mechanical wear, rust, mold, etc.) or other changes which occur after the delivery from Tongwei to the Buyer are not guaranteed in this limited warranty unless defects or changes mentioned above are against the provisions of Article 5, "Limited Warranty on Power Output of 25 years".

5. 25-Year Limited Warranty on Power Output

5.1 Tongwei also undertakes that the loss of power output, conforming to the comparison between the minimum tolerance which is specified in the label of modules and the practical peak value which is figured out under standard Test Conditions (STC).

As for monocrystalline modules: the first year of power loss will be within 3%, and it will maintain loss within 0.7% annually from the 2nd to the 25th year from the effective date of warranty. The last year of power output is not less than 80.2%.

5.2 The peak power is the maximum power of modules measured under standard test conditions. Standard test conditions are: spectrum AM1.5, light intensity 1000W/m², temperature 25±2 °C. Measurements According to IEC 61215, the tests are measured at the junction box terminals. The calibration and test standards for the Tongwei modules are valid on the date of manufacture of the module. The calibration standards are in accordance with the standards approved by the international organization.

6. Repairs, replacements or refunds

6.1 If a module has a severe appearance defect or a power loss because of itself through analysis exceeding the guaranteed value within 12 years limited product warranty or 25 years limited power output warranty, or in the case of the buyer's request by the domestic or international well-known third-party testing organization (the buyer and Tongwei confirmed the choice of the common) identified as Tongwei module causes, Tongwei will choose any of the following relief measures:

- Tongwei has the right to choose the net value of the defective modules or the current market module price refunded to the buyer, the so-called defective modules of the net value of the modules purchased at the time on the basis of the first deduction of 16% depreciation, subsequent annual deductions 3.5% depreciation, depreciation is calculated from the date of the warranty, up to 25 years;
- Free repair or replacement of defective modules, and to provide the initial sale of the delivery point of free delivery service, the modules and parts to be replaced are owned by Tongwei.

6.2 The above remedies are the sole and exclusive remedies provided by the Tongwei limited warranty and shall not be liable for any special, indirect, consequential, incidental or consequential damages (including loss of production, loss of profits, loss of goodwill, loss of business reputation or delay losses), the provisions of this exclusion apply irrespective of whether the claim for loss is based on a contract, assurances, negligence or strict liability.

6.3 If Tongwei chooses to take remedial measures for free repair or replacement of defective modules, Tongwei undertakes insurance, transportation (other than air transport), customs clearance and other related expenses arising from the return of

defective modules to Tongwei and transportation of repaired or replaced modules to the buyer. The buyer may refund the defective modules to Tongwei after the written consent of Tongwei. If the buyer prepaid the above-mentioned expenses, the buyer shall provide the invoice to Tongwei for the related expenses, and Tongwei shall pay the cost to the buyer; Tongwei does not accept any returned defective modules without the written consent of Tongwei. If, at the time of the claim, Tongwei has ceased to produce modules of the same type as the defective module, Tongwei may provide other types of modules that meet the requirements of the purchaser module. All costs incurred during the removal or installation of the modules are at the buyer's option.

6.4 Tongwei repair or replacement defective modules, 12 years limited product warranty and 25 year limited power output warranty is not extended or renewed, the warranty period for repair or replacement modules is the warranty period remaining for the buyer to purchase the module.

6.5 The buyer is entitled to claim under the terms of the warranty, if a problem with a number of claims, Tong Wei in accordance with the provisions of a compensation, that is resolved as a result of this problem arising from all applicable claims.

7. Liability exemption and limitation

Limited Warranty above shall not be applied to these products under any circumstances as follows:

- a) No payment received by Tongwei;
- b) Only Grade A modules (not including Grade B, Grade C and the Scrap) shall be guaranteed.
- c) Failure to comply with all requirements of the Tongwei Installation Manual;
- d) The type, nameplate, or bar code of the module is altered, erased or unable to be recognized (except results caused by any act or omission of Tongwei);
- e) The installation location or operating conditions of the modules are not within the scope specified in the Tongwei Installation Manual and are not approved in writing by Tongwei. Such as the installation on vehicles, ships and other mobile platforms, or in the ocean, desert and other environments;
- f) The building where the module is placed is defective;
- g) The module is subject to any of the following conditions: intentional destruction, unauthorized modification, connection and opening, the repair with unauthorized spare parts, accidents, chemical effects, etc. and other events which beyond the reasonable control of Tongwei;
- h) Pressure exceeds the maximum system voltage or surge;
- i) The usage of modules is in a manner that infringes Tongwei or intellectual property of any third-party rights (such as patents for inventions, trademarks), imports in parallel;
- j) The service of modules is considered that it's provided by unqualified technicians according to the relevant laws and regulations of installation.

8. Claims procedure, notice period, warranty performance

8.1 When any claim on Limited Warranty shall be founded, please notice Tongwei or its authorized distributor(s) in writing with claims, description of defective modules, bar code and nameplate picture, a copy of the commercial invoice and the module delivery date.
