GOOD REASONS FOR LG SOLAR

POWERFUL CONSUMER BRAND

LG is a well-known global brand which is more familiar to consumers than many other companies manufacturing nothing but solar modules.

-> This will make your sales activities easier

DEPENDABLE WARRANTOR

LG Electronics is a reliable warrantor thanks to annual **turnover of 54,4 Mrd. \$** (2018) and **over 60 years' experience and expertise**. LG offers a 25 years product & performance warranty for its solar modules.

-> Long-term security for you and your customers

HIGH PRODUCT QUALITY

LG solar modules are manufactured under strict quality criteria, far beyond the IEC Test Standards. Through that, LG meets the main decision criteria of **quality, reliability and long-term stability** of solar modules.

-> Permanently maintaining your reputation

REGIONAL CONTACT

LG Electronics has **contact persons** throughout Europe **who speak your language** and will answer your queries quickly and competently.

-> Fast, simple communication

HIGH-PERFORMANCE MODULES

LG Electronics only develops and builds **high-efficiency modules – meaning maximum solar power** per unit area, and module output of **up to 370 W (60 cells)**.

-> The ideal solution for your customers

With the LG PRO Solar Partner Programme we would like to support you as best as possible to sell LG solar modules. Practical and straightforward. Contact us and find out what benefits our partner programme offers and how to become a LG Solar PRO partner.
