

手电钻载物升降机

Lifting Dolly

LFT200D

- 轻松起重
Easy lifting
- 装卸方便
Easy loading and unloading
- 安全高效
Safe and efficient
- 操作简单
Easy operation

本设备轻松解决储能产品的上下车送货及安装问题，从装卸、转运到安装全流程一气呵成。手电钻操作升降，橡胶减震气胎灵活平移，小巧机身能托举200KG重物，便于随车携带。

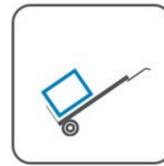

The LFT200D lifting Dolly is a leading solution specialized in delivery and installation of energy storage products. It streamlines the entire loading/unloading and transport process. Operated by hand drill for effortless lifting and lowering and equipped with rubber shock-absorbing pneumatic tires for smooth moving, its compact structure can lift loads up to 200KG and is easy to carry along.

产品自重
Product Weight

30KG

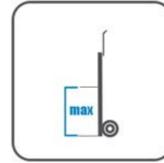

最大载重
Rated Load Capacity

200KG

升降行程
Lifting Travel

800mm

最大高度
Max. Loading
Plate Height

809mm

手电钻参数
Gimlet Parameters

加持能力 $\geq 12\text{mm}$
输入扭矩 $\geq 5\text{N}\cdot\text{m}$
Bonus Ability $\geq 12\text{mm}$
Torsion $\geq 5\text{N}\cdot\text{m}$

产品尺寸
Size

1525X534X574(mm)

手电钻带软扭硬扭档位
Electric hand drill with
soft-twist and hard-twist gears

手电钻安装处
Hand drill mounting point

推行扶手
Push handrail

自锁棘轮绑带
Self-locking ratchet strap

拖拽支架: 便于上下台阶
Towing bracket

提升载物板
Lifting loading plate

充气轮胎
Inflatable tires

带滚轮支腿
Roller-equipped support legs
