WARNING/WARNUNG/ATTENTION/ATTENZIONE

EN: Installation, commissioning, maintenance or retrofitting of the charging station must be performed by correctly trained, qualified, and authorized electricians who are fully responsible for compliance with existing standards and installation regulations.

DE: Montage, erste Inbetriebnahme, Wartung oder Nachrüstung der Ladestation müssen von einschlägig ausgebildeten, qualifizierten und befugten Elektrofachkräften durchgeführt werden, die dabei für die Beachtung der bestehenden Normen und Installationsvorschriften voll verantwortlich sind. Für den Anschluss nach EnWG 14a konsolidieren die Anleitung über den QR-Code.

FR: L'installation, la mise en service, la maintenance et la rénovation de la borne de recharge doivent être effectuées par des électriciens formés, qualifiés et autorisés, tenus de respecter strictement les normes et réglementations d'installation.

IT: L'installazione, la messa in servizio, la manutenzione o il retrofit della stazione di ricarica devono essere eseguiti da elettricisti correttamente formati, qualificati e autorizzati, che siano pienamente responsabili della conformità agli standard e alle norme di installazione esistenti.

NL: Installatie, inbedrijfstelling, onderhoud of aanpassing van het laadstation moet worden uitgevoerd door correct opgeleide, gekwalificeerde en geautoriseerde elektriciens die volledig verantwoordelijk zijn voor naleving van de bestaande normen en installatievoorschriften.

HE: התקנה, הפעלה, תחזוקה או התאמה של תחנת הטעינה חייבות להתבצע על ידי חשמלאים שהוכשרו, הוסמכו והורשו כראוי, והם אחראים במלואם לעמידה בתקנים הקיימים ובתקנות ההתקנה.

PL: Instalacja, uruchomienie, konserwacja oraz modernizacja stacji ładowania muszą być wykonywane przez przeszkolonych, wykwalifikowanych i uprawnionych elektryków, którzy są zobowiązani do ścisłego przestrzegania norm i przepisów dotyczących instalacji.
