

# 'Give me a break'

## Free Coffee Giveaway

EGF Solutions is partnering with 'Kombi for a Cause' in Ballarat to provide 100 free coffees every Friday in October. EGF Solutions is a local not for profit Disability Employment Service (DES) and Kombi for a Cause is a local unique coffee van with a community conscience.

Amba Walker from EGF Solutions in partnership with Kyllie Garrett from Kombi for a Cause decided that as times are tough at the moment it would be good to offer 100 free coffees every Friday from 10:30am in October. *'We just wanted to give people a break in these tough times and thought what a better way to do it? Everyone loves a coffee break and we don't want anyone to miss out'.*

Kombi for a Cause will be located at (locations listed below) every **Friday** in **October** from **10:30am** and **100 free coffees will be given away**. EGF Solutions are covering the cost of the coffee and Kombi for a Cause will donate 10% of all sales to the Ballarat Autism Network.

EGF Solutions is a part of the Gforce group and has extensive experience and success in providing a wide range of employment services for over 30 years.

EGF Solutions works every day with disadvantaged people to help find open employment and create opportunities. If you are already with a DES provider and feel like a change you can make the switch just phone 1800 805 260 and ask to switch to EGF Solutions Ballarat and we'll do the rest.

Kombi for a Cause is a unique coffee van that gives back to the local community. Kyllie donates 10% of her profits to local charities and causes.
