

MENU OF SERVICES

Objectives & Key Results (OKRs)

OKR Fundamentals

Introduce core OKR principles to help teams adopt an outcome mindset.

OKR Champions Training

Empower internal champions to lead OKR adoption and coach their teams through change.

Team OKR Workshops

Guide teams in crafting aligned, measurable OKRs that support strategic priorities.

OKR Playbook Creation

Develop a tailored, scalable program playbook aligned to the organization's unique needs.

Check-In Training

Equip teams with best practices to run effective OKR check-ins and maintain momentum.

OKR Maturity Assessment

Evaluate your OKR program and identify opportunities for deeper impact and alignment.

Executive OKR Workshops

Facilitate leadership workshops to define high-impact and measurable objectives and key results.

Quantive Platform Training

Enable teams to effectively manage strategy execution within Quantive.

OKR Quality Review

A focused review and feedback session to evaluate the clarity, measurability, and alignment of drafted OKRs.

Change Management

Change Management 101

Support successful transitions with structured change frameworks and adoption strategies.

Change Plan Creation

Develop a customized change management plan to communicate and enable organizational change.

Performance Management & OKRs

Clarify the difference and synergies between OKRs and performance management.

Program Support

Program Management Support

Provide end-to-end management for strategic initiatives to ensure timely delivery.

Quarterly & Annual Business Reviews

Teach teams how to run data-driven reviews that align business results with strategy.

Retro/Reset Facilitation

Facilitate end-of-quarter reviews to reflect on outcomes and reset for the next quarter.

General Office Hour Support

Offer flexible expert coaching to troubleshoot challenges and refine strategic execution.

Program Business Review

Review progress and define next steps to advance strategic initiatives.

Goal & KPI Management

KPI Framework Design Workshop

Design a tailored KPI framework that connects performance indicators to strategic objectives.

KPI Coaching

Help define, track, and align KPIs with strategic objectives for sustained growth and execution.

Goal Alignment Calibration Sessions

Facilitate a cross-functional session to ensure strategic, departmental, and individual goals are aligned.

Goal Coaching

Provide personalized guidance to translate strategic goals into focuses, measurable outcomes.

Alignment & Dependencies

Alignment Workshops

Break down silos and align teams around shared goals and priorities.

Dependency Mapping

Visualize and manage interdependencies across teams to drive coordinated execution.
