MANCHESTER MILLS AWARDED SILVER MEDAL BY ECOVADIS IN RECOGNITION OF SUSTAINABILITY ACHIEVEMENT

Manchester Mills was awarded a Silver Medal by EcoVadis for placing amongst the Top 25 percent of companies assessed and ranked in the 85th percentile of their industry. Additionally, Manchester Mills achieved an outstanding score in Ethics (90/100) and an advanced score in Sustainable Procurement (70/100).

“As a leading textile producer for the hospitality and healthcare segments, we’re committed to developing programs and initiatives to reduce our environmental impact, advance our social responsibility, and foster the well-being of our colleagues. These themes help define the way we conduct our business and source strategic partners both upstream and downstream,” mentioned Elizabeth McNulty, senior vice president and general manager at Manchester Mills.

EcoVadis operates an evidence-based online platform, providing supplier sustainability ratings and allowing companies to assess the ESG performance of their global suppliers. It considers a range of CSR issues, which are grouped into four core areas: Environment, Labor & Human Rights, Ethics, and Sustainable Procurement.
