

Aero Plus

3-Speed Carpet Dryer

The three-speed Aero Plus Carpet Dryer from NSS® Enterprises accelerates carpet drying time by as much as 50 percent. While carpet extractors remove most of the moisture they put down during cleaning, carpets may still be too damp for immediate traffic. That's where the Aero Plus can help.

- Aero Plus, with its three speeds, moves large volumes of air across the floor, accelerating drying and reducing the time any area is out of service.
- Adjustable to four positions, the Aero Plus allows you to direct the airflow exactly where you want it. The dryer is so versatile it can be used to dry carpeting, bare floors, floor finish, upholstered furniture, and even ceilings.
- Stackable, it can be used in tandem with other units to further decrease drying time.
- The Aero Plus' sturdy, rotocast polyethylene housing features a convenient, balanced handle that makes transport easy.
- Weighing 35 pounds, the Aero Plus can be easily positioned to maximize drying power.
- An optional wheel carriage and telescoping handle make transporting the Aero Plus easy.

Aero Plus Specifications

Motor

Type	Capacitor start/induction run
HP	0.5 at 115V / 0.5 at 240V (500 watts)
Current	5.8 amps at 115V / 3.3 amps at 240V
CFM	High - 1300 CFM (36.8 m ³) Medium - 850 CFM (24 m ³) Low - 700 CFM (19.8 m ³)

Construction

Body	Rotocast polyethylene housing
Cord - 120V	34 ft (10.4 m), 18-3 SJT
Cord - 240V	50 ft (15.4 m), H05VV1.5x3 SHUKO

Sound Level 66 dBA

Dimensions

Length	20 in (50.8 cm)
Height	19 in (48.3 cm)
Width	16.25 in (41.3 cm)

Weight

Machine	35 lbs (15.9 kg)
Shipping	39.5 lbs (17.9 kg)

Shipping Class 85

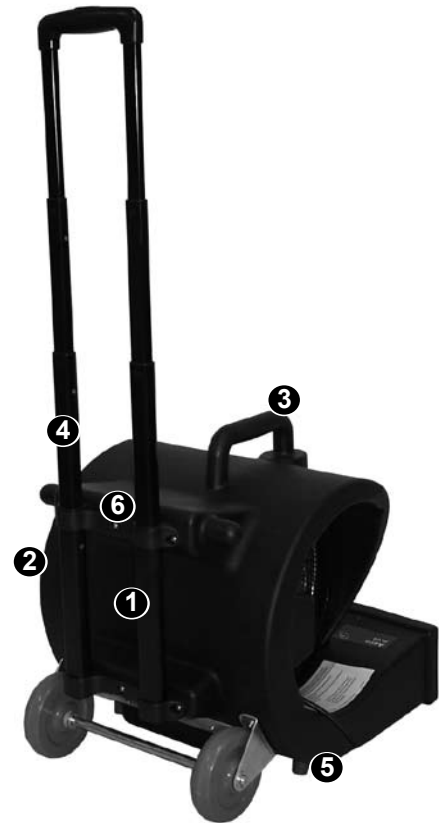

Warranty 1 year / 10 years poly parts

The quick and effective drying of carpet prevents the potentially dangerous growth of mold and mildew.

The ergonomic handle and wheel carriage help prevent back strain when lifting or carrying the Aero Plus during transport.

The Aero Plus contains few parts, lessening its environmental footprint.

- 1 Rotocast polyethylene body will stand up to years of heavy-duty use.
- 2 Built-in screen protects fingers from entering the oversized fan.
- 3 Convenient carrying handle makes transport easy.
- 4 Optional telescoping transport handle and wheel carriage make transport easy.
- 5 Four position settings let the operator adjust the Aero Plus flat for carpets, up slightly for floor finish, 45° for furniture, and 90° for ceilings.
- 6 Built-in cord wrap keeps the power cord safely out of the way during storage.
