

# Queenaire QT Cyclone

## Advanced Electronic Deodorizing Technology

The **QT Cyclone** is the powerhouse of the Queenaire Technology line of products. It offers the same features as QT Tornado and produces up to 1250 mg/hr of ozone to deal with your worst odor problems. This is the ideal tool for garbage areas, sewage odors, fire and flood restoration work, etc... All Queenaire models have a manufacturer's 5 year warranty, 15-20 year life expectancy.

### Perfect for Treating . . .

- Hotel Guestrooms
- Offices
- Fire and Flood Restoration
- Garbage Areas

### What are the Benefits of Using Ozone?

Ozone is very effective in eliminating odors including tobacco smoke, human and pet odors, food odors, mold and mildew odors, garbage odors, renovation odors and much more. It is not a re-odorant. It totally destroys the offending gases that are the source of everything we smell. Unlike many other deodorizing methods, ozone actually searches out and destroys the problem gases. It will react with contaminants in the air, water, fabrics and on other surface of the walls and ceil-ings. Unlike other types of air purification systems, an ozone generator does not depend on the air passing through the machine to do its job. Ozone generators also produce large quantities of ions via the corona discharge. The ions cause the dust particles to agglomerate, and precipitate from the air leaving a cleaner environment.

### Recommended Maintenance Kit

Any device that pulls air through it requires cleaning and or preventative maintenance. Consider heating and air conditioning systems, automobile air filters, room air cleaners, etc. Queenaire ozone generators also require occasional maintenance to keep them operating at peak performance. For this reason we offer a **PEAK PERFORMANCE PACK**.

*Keep your investment running at PEAK PERFORMANCE.*

### Recommended Maintenance Kit

**Maintenance Kit**  
2-Plate Pack  
for Model QTC1250 Queenaire  
Cyclone. Each pack contains the  
2 plates, alcohol, prep pads for wiping  
down the Generator base, and fuses.
