

NEW ■ BETTER ■ DURABLE ■ STYLISH

THE "PRESSTIGE" LINE

Stylish design and heavy duty construction are the key components to these "top of the line" boards. Features include 54" X 14" ironing table, 1 3/8" leg tubing, positive lock height adjustment, oversize secure end caps with deluxe tread, welded T-leg for strength, and unique closed-position leg lock mechanism. Quiet, smooth, and substantial, this board lives up to its quality name.

Anatomy of The Best Boards in Hospitality

Welded T-Leg adds extra strength and will not loosen up over time like riveted boards.

Deluxe treaded end caps, custom designed for non-slipping and staying on.

All covers are pre-treated for scorch and stain resistance.
PV8258 - Bungee one-piece construction in *Toast*.
All other models elastic banding, foam pad, 2-piece.

Serious tubing:
Prestige Line: 1 3/8" (largest in hospitality)
Classic and Armoire models: 1 1/8" tubing, standard size.

Finest quality leg joint materials using best hardware available for smooth and strong performance.

Deluxe chrome lever with easy to grasp, large plastic sleeved handle.

Smooth & Quiet leg guides with custom channel fit to ensure ease of use and no screeching.
