

Hair Dryer with retractable cord

HHD600

3 Reasons to Buy!

Performance

- 1875 watts of drying power
- Tourmaline coating

Convenience

- 3 air/heat settings
- Comfortable soft-touch grip

Ease of Service

- Push-button retractable cord
- Folding handle for compact storage

Ultra-Fast Drying: Equipped with 1875 watts of drying power and a tourmaline coating to help speed drying and help maintain hair's lustre and shine.

3 Air/Heat Settings: Lets each guest choose the setting that suits their hair best.

Comfortable Handle: Shaped to fit the hand and featuring a soft-touch grip for drying and styling ease.

6' Retractable Cord: Not only does the cord retract neatly out of sight, it has a cord stopper to prevent over-retraction.

Folding Handle: Neatens up the room's appearance and fits almost anywhere for compact storage.
