

VP300™

Canister Vacuum

The Truly Outstanding Affordable Vacuum Cleaner.

- Spend less time changing dust bags with the best in class filling capacity
- Move easily from place to place - weighs just 11.5 lbs
- Daytime clean with minimal disruption - low sound pressure level of 50 dB A
- Work smarter with available onboard power cord, floor tool and wand storage

The Advance VP300 is a well-built, thoroughly reliable machine that can be counted on to do the job day in and day out. Featuring a lightweight, sustainable design, the VP300 is ideal for cleaning education facilities, offices, healthcare facilities, retail outlets and similar light to medium duty applications.

As with all Advance machines, the design is outstanding, with careful attention given to ergonomics and environmental friendliness, providing easy maneuverability and quiet operation. The VP300 also offers reduced power consumption via an efficient 900 W fan unit yet still delivers superior cleaning performance.

As part of Advance's continuous work to support environmental protection, the VP300 vacuum cleaner uses completely recyclable components.

Standard Accessories Include

VP300™

Canister Vacuum

The VP300 can be stored with the wand attached to the vacuum in an upright position limiting overall storage space required.

Washable basket filter is part of a 3-stage filter system.

VP300 can be carried safely and comfortably in one hand.

Discreet storage for nozzles allow all the tools you need to be within easy reach at all times.

- 1 Ergonomically designed carrying handle to allow comfortable and safe transport
- 2 Strong and robust on/off switch
- 3 Non-marking protective bumper
- 4 Protected rear wheels

Defining Cleaning Innovation...

- Our products are designed using innovative technology that increases productivity and drives down the cost to clean.
- You can get expert service and maintenance for your Advance machines from factory-trained personnel around the world. Fast parts delivery, too.
- Maintain peak performance with Nilfisk Parts.
