This limited warranty does not extend to any indirect, consequential or incidental damages that may be suffered by a user or from the use of a Newhouse Iron, including without limitation, any liability for third party claims for damage, and is limited to the amount paid by the original purchaser of the Newhouse scale with respect to which this limited warranty protection applies. This limited warranty does not apply with respect to products that have been altered or which are missing serial numbers or for products not purchased directly from Newhouse or a dealer authorized by us to sell Newhouse Products.
