COLLAPSIBLE FRAME

Minimize Storage Footprint

Compact, collapsible frame enables efficient storage for improved organization. The cart's footprint reduces by 75% to just 4.5" wide when collapsed. Unit stands upright in the collapsed position.

Industry Leading Capacity

With industry-leading capacity of up to 220 lbs., the versatile Collapsible X-Cart system delivers reliable, long-lasting performance and superior maneuverability to increase worker productivity.

Enhanced Image

Reduce noise during transport with premium, quiet casters. Discreet colors, sleek design, and optional cover to conceal supplies provide professional appearance and enhance image.
