PROGEN® 12/15

Innovative features, powerful suction and advanced maneuverability for a more efficient upright.

The ProGen has the added performance and features to make it an instant hit with cleaning professionals. These commercial uprights' increased maneuverability and animated dashboard display make this an upright like no other.

COST OF OWNERSHIP

Durable construction, easy maintenance and 3-year limited manufacturer's warranty assure a higher return on investment.

ADVANCED MANEUVERABILITY

Large, rubberized wheels allow smooth movement, tight turning radius and easy threshold clearance.

ANIMATED DASHBOARD

Highlights vacuum status operating normally and alerts user to brush roll jam, airflow blockage or full filter.

SERVICE WITHOUT TOOLS

Clear blockages and remove brush roll without using tools.
