

LIMITED WARRANTY

FOR WARRANTY INFORMATION VISIT:
WWW.MATRESSSAFE.COM

CONGRATULATIONS: You have just purchased the newest and finest in box spring protection made with the best materials and workmanship available.

Your protector is warranted against defects in workmanship and material. Structural damage caused by abuse, misuse, improper installation or not properly following the care instructions will void the warranty. **Do not use bleach!** The use of bleach or bleach products will void the warranty.

YOU MUST REGISTER YOUR PRODUCT FOR THE WARRANTY TO BE ACTIVATED. YOU MAY REGISTER YOUR PRODUCT AT WWW.MATRESSSAFE.COM/WARRANTY. WARRANTY WILL NOT BE HONORED WITHOUT PROOF OF PURCHASE. PLEASE KEEP THE PROOF OF PURCHASE AVAILABLE TO VALIDATE PURCHASE.

MATRESS SAFE, INC. is not responsible for any incidental or consequential damages resulting from the use of its products. In no event shall the responsibility of **MATRESS SAFE, INC.** exceed the purchase price of the warranted product.

This product is designed to keep bed bugs that are already in your bedding from escaping and to keep new bed bugs from entering and hiding in your bedding while secured with the patented "Zipper with the Hook"®. Sewn in Loop and Zip-Tie included to ensure tamperproof encasements. It cannot prevent bed bugs from entering your home or place of business. **MATRESS SAFE, INC.** is solely responsible for the product and its limited warranty. **This product is a nonreturnable item.**

BED BUG CERTIFIED:

This product has been tested by a Board Certified Entomologist. Test results show this product to pass the "Penetration - Escape Test" when dealing with infestations of bed bugs. This product when applied with proper installation is warranted to the best of our testing abilities. Mattress Safe, Inc. is not liable for damages occurring to the box spring or to the consumer.

BOX SPRING FELT CORNER PROTECTORS

INSTRUCTIONS: Separate squares. Each square has a small slit cut at the top left corner. With the felt facing towards you, partially expose the adhesive, fold the small slit up and to the right, then completely expose the adhesive. Attach the adhesive to the felt. This will create a protective wall for the box spring encasement. Apply to sharp corners of bed frame to avoid damage to box spring encasement.

WARNING:

The plastic bag is not a toy. To avoid danger of suffocation, store this plastic bag and encasement when not in use away from babies and small children.

Made in USA 
(770) 205-5335

DIRECTIONS FOR APPLICATION:

Installation should be done with a partner - Installing alone can stress the zipper end stops on each side. Starting at the head of the bed, unzip the encasement and gather the fabric to locate the bottom two end corners. Together with a partner, lift each side of the end of the box spring and rest it on the knee (or you may lift the box spring to stand on its end and the encasement may be pulled down the length of the box spring). Align and apply the end corners first to the end of the box spring on each side. Carefully slide the encasement, inch by inch, down the length of the box spring, avoiding stress on the zipper end stop. Align the corners of the cover with the corners of the box spring. Zip the cover all around the box spring and secure the encasement by using the patented "Zipper with the Hook"®. For additional security, insert the Zip-Tie into the Loop and secure to ensure tamperproof encasements.
