

Walk-Behind Floor Scrubbers

Efficient Cleaning in a Compact Design

The battery-powered SC250™ walk-behind micro scrubber delivers cleaning performance in a compact size. Designed for fast and effective single pass hard floor cleaning in shops, schools, restaurants, cafes, bakeries, fast food chains, hotels and more.

Benefits of SC250 Walk-Behind Floor Scrubbers

The SC250 is an effective, easy-to-use, maneuverable floor scrubber ideal for cleaning in tight corners or under tables and chairs. Ensure a clean, dry, more hygienic environment and reduce slip-and-fall accidents by sweeping, scrubbing and drying at the same time, and picking up water in forward and reverse.

- Simplify operation with the user-friendly control panel and innovative handle-activated scrubbing action
- Minimize the need for pre-sweeping by easily raising the front squeegee to sweep up small debris
- Optimize cleaning time (up to 40 minutes of run time) with the powerful 36 V Lithium battery, and provide a safer cleaning environment thanks to the cordless design
- Clean during the day or in noise-sensitive areas thanks to the low sounds levels (66 dB A)
- Easily transport and store with the adjustable and foldable handle

Walk-Behind Floor Scrubbers

Model	SC250
Ref. no.	9087381020
PRODUCT FEATURES	
Parking brake	•
Battery level indicator	•
Ergonomic handle	•
Folding handle	•
No tools required for attachment change	•
Lithium battery (36 V) with charging cord	•
Two solution flow rates	•
Low solution level indicator	•
Dosing Cup Integrated Into Solution Cap	•
Audible Locking Noise	•
Technical specifications	SC250
Voltage (V)	36 V Lithium
Sound level	66 dB A
Solution tank capacity gal (l)	1.6 gal (6 L)
Recovery tank capacity gal (l)	1.6 gal (6 L)
Brush speed (RPM)	1,000 rpm
Brush quantity and type	(1) Cylindrical
Weight with batteries (kg)	55.5 lb (25.2 kg) with Empty Tanks
Performance per hour (theoretical / practical)	14,369 sq ft / 7,320 sq ft (1,360 sq m / 680 sq m)
Run time per tank	Up to 40 min
Max. brush down pressure	26.5 lb
Dimensions (base only) L x W x H	25 x 17 x 16 in (630 x 432 x 400 mm)
Dimensions (handle folded for storage) L x W x H	25 x 17 x 19 in (630 x 432 x 480 mm)
Cleaning path	13.5 in (340 mm)
Squeegee width	14 in (360 mm)
